I, _____, the undersigned, do hereby make application to the City of Mobile’s Urban Development Department, for a Homeowner’s Permit to perform plumbing work in my own residence, which I occupy, located at _____
 _____.

- Section 106.3.3 of Ordinance #45-060, adopting the 1997 Edition of the Standard Plumbing Code reads: “Before a homeowner’s permit is issued, the applicant must submit a sketch of the installation which is to be approved by the Building Official and furnish a sworn affidavit stating that he/she will do all the work with his own hands with the exception of hiring labor to dig ditches.”

I certify that I am qualified to perform the plumbing work in a workmanlike manner, but agree that should the plumbing work performed pursuant to this permit not comply with the provisions of the Plumbing Code of the City of Mobile when completed, then I will hire a licensed and bonded Master Plumber to immediately complete the plumbing work in such a fashion as to comply with said Plumbing Code. I further agree that the plumbing work to be performed pursuant to the permit herein applied for will not be put into operation until such time as it has been inspected by the City of Mobile Plumbing Inspection Unit.
